Amicus Brief filed by David Andrew Christenson.

Sorry for the new email address. Microsoft closed all of my email accounts and in order to appeal you must have a Microsoft email address, which I created. The DOJ pressured Microsoft into closing my email accounts and they complied. This has repeatedly happened in the past.

Here is a recommendation about my Amicus Brief:

Order the Department of Justice to respond.

Order the Special Counsel to Respond.

Order Attorney General Matthew Whitaker to respond, personally.

Order Assistant Attorney General for the Environment and Natural Resources Division Jeffery Bossert Clark to respond personally

Order Special Prosecutor/FBI Director Robert Mueller to respond, personally

These individuals criminally violated my Constitutional Rights which in turn criminally violated the Constitutional Rights of all Americans.

We are no better than the Saudis.

*The Central Intelligence Agency has concluded that the Saudi crown prince, Mohammed bin Salman, ordered the killing of the journalist Jamal Khashoggi, according to American officials.*

COMPLAINT

I. INTRODUCTION

1. This case involves the tragic death on August 7, 2011 of U.S. Coast Guard Commander William ("Bill") Goetzee, a 48-year-old federal career civilian

properly screen, evaluate or refer Mr. Goetzee for psychiatric evaluation, diagnosis or treatment. Defendant LPN Wallace failed to properly or adequately address Mr. Goetzee's report of recent suicidal thoughts, his need for medication, or his obvious physical injury. Defendant LPN Wallace was aware, must have been aware, or should have been aware, that Mr. Goetzee was psychologically fragile, required psychiatric evaluation, intervention and review of his medication status, yet failed to take appropriate steps to insure that would occur.

30. Despite Mr. Goetzee's condition, defendant LPN Wallace referred Mr. Goetzee for housing in "general population". Defendant LPN Wallace knew, must have known or should have known, at Mr. Goetzee was at high risk of serious harm due to his disability and his medical condition and that the jail lacked adequate and appropriately trained staff and facilities to properly tend to Mr. Goetzee's medical needs or to provide reasonable accommodations for his disabilities. Yet she failed to take necessary and appropriate steps to insure that he was either referred to a hospital for treatment or for medical clearance as to the appropriateness of housing him at the jail, or, if to be admitted to the jail, that he was adequately and reasonably examined, housed and treated and afforded reasonable accommodation for his disability and his condition.

31. Mr. Goetzee was booked into OPP and taken to Templeman V, the "federal tier". The following morning he appeared in federal court for a first appearance hearing. His medical and psychiatric condition had deteriorated overnight and he was

delusional, combative, disoriented and non-responsive. He had to be physically restrained in a wheelchair. At some point he was tased. He had spent the night in the jail with no medical treatment, no medication and no appropriate intervention or accommodation for his condition, thereby aggravating and worsening his condition.

On information and belief, various deputies and other employees of the defendant Sheriff, acting in the course and scope of their employment, knew, must have known or should have known that Mr. Goetzee was in serious need of medical attention, yet failed to report or seek appropriate care for him during this time.

32. Mr. Goetzee was removed from federal court and returned to the jail, where he received a "Psychiatric Nursing/MA Assessment" for the first time while in custody, due to "suicidal ideation", and referred to University Hospital by defendant Dr. Higgins, through a verbal order to defendant E. Bargky, LPN, to "Rule Out Delirium". By that time, he had blood pressure of 181/122, a pulse rate of 128, respiration rate of 20 and a temperature of 100.1. His allergy to prednisone was noted at this time, as was the fact that he was without any medication. His skin was warm and moist to touch. He was described as oriented OX1, oriented as to name only, a marked deterioration of the AAOX3 orientation described at Intake by defendant LPN Wallace. The Nurse Notes completed by defendant Bargky identified his name as "William Wesley", despite the booking information which gave his name as "Goetzee, William W." This error regarding his name persisted through his hospitalization at University and when he returned to the jail, causing confusion and inconsistencies in his medical treatment. He

Coast Guard Commander William Goetzee was Murdered by the Department of Justice

Extraordinary Writ with Writ of Prohibition and Writ of Mandamus

Filed May 22<sup>nd</sup>, 2015

Coast Guard Commander William Goetzee was Murdered by the Department of Justice. The same process was used on me four months prior. When you read the complaint you will think you are in Nazi Germany.

Notice that the Goetzee family did not sue the Federal Government. Why? He was arrested on a Federal Warrant and held in Federal custody. The complaint was filed in Federal Court.

Everything the Department of Justice put in the public domain was a lie.

I was never charged with a crime. I was arrested on a Louisiana Warrant and not Federal. Why? 11 days in isolation being medicated against my will. Having a 9mm put to my forehead by an FBI Agent who threatened to kill me if I did not stop. He bragged about how he would get away with it and I knew that he was right. Stupid me for believing in the oath that I took.

The Supreme Court of the United States of America has granted authority to the Department of Justice to execute and assassinate Americans who are exercising their Constitutional Rights, especially Federal Whistleblowers such as me.

All Americans deserve the protection of the Supreme Court.

Is this really the world that the Supreme Court wants?

## The Murder of Coast Guard Commander William Goetzee

## My background

I was held on the 10<sup>th</sup> floor of the House of Detention in the Orleans Parish Jail. This is the psychiatric floor. Suicidal prisoners are held here. In my case (not suicidal) I was placed in isolation and medicated against my will and knowledge. This was torture. The Federal Government was hoping that I would kill myself. The conditions are deplorable. The lights are on 24 hours a day. The noise from the fans and televisions is deafening. If you are not crazy when you go in, you are when you come out. I stopped eating and drinking. The only thing I consumed was water. The drugs they give you can actually trigger a psychosis, depression, etc. The "suicide watch" cell has nothing in it but a bench. There is no toilet. There is no toilet paper. When you are on suicide watch you wear a kevlar type vest that goes from your shoulders to your knees and nothing else. There was a young black kid in the "suicide watch" cell while I was there. He continually defecated on himself and the stench was unbelievable. Nobody helped him. I worried about him and I wonder what happened to him.

The Federal Government did everything possible to paint me as crazy and to discredit me. They have done the same to Commander Goetzee. I believe the story about Goetzee and his arrest was a fraud, a fabrication. The Federal Government wanted to isolate and silence Commander Goetzee. He was murdered. I was lucky.

Attachment 1: Coast Guard Commander William Wesley Goetzee's Obituary.

Commander Goetzee had quite a background. He was not indigent. I would assume he had health insurance as he was an employee of the Federal Government. He worked in the same building as the Federal Courthouse, US Attorney, US Marshal's office, etc. There was extremely heavy security at the building that day because of the Danziger Bridge Trial.

Attachment 2: Article.

Commander Goetzee "reported episodes of suicidal ideation...". The man needed help. What medication was he being forced to take? I could not invent this. The Federal Government, US Marshal Service, places Federal suicidal prisoners in a jail that was condemned in 2009 by the Justice Department. "The Justice Department criticized the mental health care provided by the institution, including its suicide-prevention practices." Why was Commander Goetzee appointed a Federal Public Defender? He was a person of means. The Department of Justice wanted to control him just like they did me when they appointed US Attorney Billy Gibbens to represent me.

Attachment 3: Article.

Could you invent this? "Investigators say Goetzee had been swallowing toilet tissue throughout the day". Are you kidding me?

Attachment 4: Article.

See the last page, 3. "Margaret Nagel, his sister, said that after his arrest, she was unable to get any information about his condition or even where he was being held." It is important to note that the Coast Guard provided official notification of Commander Goetzee's death. This notification was improper unless he died during active duty. This was very odd and suspicious. By law The US Marshal Service should have provided notification since he was in their custody. Note that he was working on the BP oil spill.

Attachment 5.

Court document: detention hearing. Why was Commander Goetzee not at his detention hearing? Why did he not have private counsel. He had been charged and had not entered a plea. The Federal Government wanted him isolated. The man needed help and had the resources. Commander Goetzee was entitled to bond and should have been released within 72 hours. His family and fiancée could have helped him. Why did his peers in the Coast Guard not help him? They worked with him for 10 years. (Truth about the BP oil spill?)

Attachment 6.

Again could you invent the truth? Review the second page. He did not want to cause harm to anyone but himself. Goetzee exclaimed "I want to kill myself, give me your gun." Was he crying out for help or was this an attempt to discredit him? Do you know how hard it is to take a gun from a man sitting down in a car?

Attachment 7.

An email from me to multiple Federal Courts in the Eastern District of Louisiana.

Attachment 8.

Letter/Fax to the United States Supreme Court. I have only included one of the many letters that I wrote to the Supreme Court.

Sincerely,  
David Christenson
