INTRODUCTION

1
2 1. On October 1, 2017, Stephen Paddock carried out a mass attack at the Route 91
3 Harvest Festival in Las Vegas, Nevada.

4 2. Paddock intended to inflict mass injury, death and destruction. He killed 58
5 persons and injured some 500 others. Paddock’s attack resulted in the highest number of deaths of
6 any mass shooting in the Nation’s history.

7 3. Security for the concert was provided by Contemporary Services Corporation,
8 whose security services have been certified by the Secretary of Homeland Security for protecting
9 against and responding to acts of mass injury and destruction.

10 4. Recognizing the national interest in such events, and in the development and
11 deployment of services certified by the Secretary of Homeland Security to prevent and respond to
12 such events, Congress has provided original and exclusive federal jurisdiction for any claims of
13 injuries arising out of or relating to mass violence where services certified by the Department were
14 deployed.

15 5. Plaintiff MGM Resorts Festival Grounds, LLC owns and operates the Las Vegas
16 Village, at 3901 South Las Vegas Boulevard, Las Vegas, Nevada 89119, where the Route 91
17 Harvest Festival was held. Plaintiff Mandalay Bay, LLC owns and operates the Mandalay Bay
18 resort, which is adjacent to Las Vegas Village. Plaintiff MGM Resorts International is the parent
19 corporation, with an indirect 100% interest in Mandalay Bay, LLC, and MGM Resorts Festival
20 Grounds. Plaintiff MGM Resorts Venue Management, LLC is a Nevada limited liability
21 company.

22 6. Paddock carried out his mass attack on the concert from a room on the 32nd floor
23 of the Mandalay Bay resort.

24 7. Following Paddock’s attack, over 2,500 individuals (“Claimants”) have brought
25 lawsuits, or threatened to bring lawsuits, against Plaintiffs MGM Resorts Festival Grounds, LLC,
26 MGM Resorts International, Mandalay Bay, LLC, Mandalay Resort Group, and MGM Resorts
27 Venue Management, LLC (collectively, “the MGM Parties”), alleging that the MGM Parties
28 (among others) are liable for deaths, injuries, and emotional distress resulting from Paddock’s

1 attack. Claimants subsequently voluntarily dismissed these cases before they could be resolved,
2 apparently with the intent of refileing.

3 8. Named as defendants in this case are Claimants who have brought lawsuits (which
4 they subsequently voluntarily dismissed) against the MGM Parties, alleging claims arising from
5 Paddock's attack, and persons who, through counsel, have threatened to bring such claims against
6 the MGM Parties.

7 9. Congress has enacted legislation to support the development of new technologies
8 and services to prevent and respond to mass violence. That legislation, the Support Anti-
9 Terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§ 441-444 (also known by
10 the acronym, the "SAFETY Act"), provides a calibrated balance of remedies and limitations on
11 liabilities arising from mass attacks committed on U.S. soil where services certified by the
12 Department of Homeland Security were deployed.

13 10. In the case of Paddock's mass attack, certified technologies or services were
14 deployed by a professional security company, Contemporary Services Corporation ("CSC"),
15 which was employed as the Security Vendor for the Route 91 concert. As alleged in more detail
16 below, Paddock's mass attack meets the requirements of the SAFETY Act as set forth in the
17 statute and the Regulations promulgated by the Department of Homeland Security.

18 11. Defendants' actual and threatened lawsuits implicate the services provided by CSC
19 because they implicate security at the concert, for example security training, emergency response,
20 evacuation, and adequacy of egress.

21 12. As a result, the SAFETY Act applies to and governs all actions and any claims
22 arising out of or relating to Paddock's mass attack. There are five key aspects of the Act and
23 implementing regulations promulgated by the Department of Homeland Security as authorized and
24 contemplated by the SAFETY Act. 6 C.F.R. § 25.1 et seq.

25 13. First, the SAFETY Act creates a "Federal cause of action for claims arising out of
26 [or] relating to" an act of mass violence where certified services were deployed and where such
27 claims may result in losses to the Seller of the services. 6 U.S.C. § 442(a)(1).

28 14. Second, the SAFETY Act expressly provides the federal courts with "original and

1 exclusive jurisdiction over all actions for any claim for loss” arising out of or related to such an
2 attack. 6 U.S.C. § 442(a)(2).

3 15. Third, as confirmed by the Secretary’s implementing regulations promulgated after
4 enactment of the SAFETY Act, the federal cause of action created by the statute is the exclusive
5 claim available in such circumstances. 6 U.S.C.

6 § 442(a)(1). The regulations state: “There shall exist only one cause of action for loss of property,
7 personal injury, or death for performance or non-performance of the Seller’s Qualified Anti-
8 Terrorism Technology in relation to an Act of Terrorism.” 6 C.F.R. § 25.7(d).

9 16. Fourth, the regulations further provide that “Such cause of action may be brought
10 only against the Seller of the Qualified Anti-Terrorism Technology and may not be brought
11 against the buyers, the buyers’ contractors, or downstream users of the Technology, the Seller’s
12 suppliers or contractors, or any other person or entity.” 6 C.F.R. § 25.7(d).

13 17. Fifth, to ensure compensation for victims in appropriate cases, the SAFETY Act
14 requires that the Seller “obtain liability insurance of such types and in such amounts as shall be
15 required in accordance with this section and certified by the Secretary to satisfy otherwise
16 compensable third-party claims arising out of, relating to, or resulting from an act of terrorism.” 6
17 U.S.C. § 443(a)(1).

18 18. Congress enacted the SAFETY Act in recognition of the strong national interest in
19 encouraging the development and use of technologies and services that can help prevent and
20 respond to mass violence. The Act does so in part by assurance of limited liability in the
21 unfortunate event that an incident of mass violence occurs and injuries occur despite the
22 deployment of such technology. The Act also does so by creating original and exclusive
23 jurisdiction for the resolution of all controversies in federal court. 6 U.S.C. § 442(a)(2).

24 19. The SAFETY Act expressly provides the federal courts with original and exclusive
25 jurisdiction over “all actions for and any claims for loss [or] injury” arising out of or relating to a
26 mass attack where certified services were provided and where such claims *may* result in losses to
27 the seller of those services. The Act and the associated regulations make clear that any such claim
28 against the MGM Parties must be dismissed.

14 **JURISDICTION AND VENUE**

15 268. This Court has subject-matter jurisdiction pursuant to 28 U.S.C. § 1331 and 6
16 U.S.C. §442(a). As alleged hereinabove, the SAFETY Act expressly provides for original and
17 exclusive federal jurisdiction over actions arising from or relating to acts of mass violence where
18 technologies or services certified by the Secretary of Homeland Security were deployed. At the
19 time of Paddock’s mass attack at the Route 91 concert, security services were provided by
20 Contemporary Services Corporation as the Security Vendor for the Route 91 Harvest Festival.
21 CSC’s security services were certified by the Secretary of Homeland Security under the SAFETY
22 Act.

23 269. This Court has personal jurisdiction over Defendants because they are residents of
24 the State of Nevada and are therefore subject to the general personal jurisdiction of this Court.

25 270. Venue is proper in this Judicial District pursuant to 28 U.S.C.
26 § 1391(b)(1) because one or more of the Defendants are known to reside, or upon information and
27 belief, do reside, within this Judicial District.

FIRST CAUSE OF ACTION FOR DECLATORY RELIEF

(By Plaintiffs against all Defendants)

1
2
3 271. Plaintiffs reallege and incorporate by reference, as though fully set forth, the
4 allegations of paragraphs 1-270, above.

5 272. Following Paddock’s mass attack on the concert, over 2,500 individuals have either
6 sued the MGM Parties, or threatened to sue the MGM Parties, for claims alleged to arise from or
7 relate to the attack. Several hundred individuals filed suit, and before the issues could be joined or
8 resolved, they dismissed their claims, apparently with the intent of refileing.

9 273. Each Defendant either (a) has previously filed suit (and then dismissed it) against
10 one or more of the MGM Parties relating to the Paddock attack, or (b) through counsel has stated
11 an intention to sue the MGM Parties relating to the attack. There is no pending litigation between
12 Plaintiffs and Defendants relating to the attack.

13 274. The claims alleged in the now-dismissed lawsuits include claims of alleged
14 negligence by the MGM Parties and others, including CSC, in protecting and safeguarding persons
15 including those Defendants who attended the Route 91 Festival.

16 275. Defendants’ actual and threatened lawsuits implicate the services provided by CSC
17 because they implicate security at the concert, including training, emergency response, evacuation
18 and adequacy of egress.

19 276. These claims are subject to the SAFETY Act, because (a) they arise from and relate
20 to an act of mass violence meeting the statutory requirements; (b) CSC provided security at the
21 concert, deploying services certified by the Department of Homeland Security under the SAFETY
22 Act to protect against or respond to such an attack; and (c) the claims may therefore result in loss
23 to CSC as the “Seller” of such certified services.

24 277. The claims threatened against the MGM Parties by certain Defendants, through
25 counsel, also inevitably fall under the SAFETY Act for the very same reasons: (a) they arise from
26 and relate to an act of mass violence meeting the statutory requirements; (b) CSC provided
27 security at the concert, deploying services certified by the Department of Homeland Security
28 under the SAFETY Act to protect against or respond to such an attack; and (c) the claims may

1 therefore result in loss to CSC as the “Seller” of such certified services. If Defendants were injured
2 by Paddock’s assault, as they allege, they were inevitably injured both because Paddock fired from
3 his window *and* because they remained in the line of fire at the concert. Such claims inevitably
4 implicate security at the concert—and may result in loss to CSC.

5 278. The SAFETY Act applies to claims “arising out of, relating to, or resulting from an
6 act of terrorism.”

7 279. The SAFETY Act defines an act of terrorism: An act meets the requirements if the
8 act is (i) “unlawful” (ii) “causes harm to a person ... in the United States,” and (iii) “uses or
9 attempts to use ... weapons ... designed or intended to cause mass ... injury.” 6 U.S.C. §
10 444(2)(B). There is no requirement in the statute or regulations of an ideological motive or
11 objective for the attack for it to meet the requirements of the SAFETY Act.

12 280. Paddock’s mass attack satisfies the requirements of the SAFETY Act and the
13 regulations: (i) it was “unlawful,” (ii) it resulted in death or injury to hundreds of persons in the
14 United States, and (iii) it involved weapons and other instrumentalities that were designed and
15 intended to cause, and which in fact caused, mass injury and death. Those weapons and
16 instrumentalities included rifles modified with bump stocks to spray fully automatic gun fire;
17 high-capacity magazines capable of holding between 60 and 100 rounds; and illegal incendiary
18 rounds intended to blow up the fuel tanks adjacent to the concert. Paddock used these weapons
19 and instrumentalities to fire hundreds of rounds at the crowd, and he fired incendiary rounds
20 which struck the fuel tanks but, fortunately, missed the fuel.

21 281. The post-attack investigation revealed that Paddock brought in his van, which he
22 parked in the hotel garage, 90 pounds of explosives, consisting of 20 two-pound containers of
23 exploding targets, 10 one-pound containers of exploding targets and 2 twenty-pound bags of
24 explosive precursors.

25 282. No MGM Party attempted to commit, knowingly participated in, aided, abetted,
26 committed, or participated in any conspiracy to commit any act of terrorism of criminal act related
27 to mass attack perpetrated by Stephen Paddock at the Route 91 Harvest Festival in Las Vegas,
28 Nevada, on October 1, 2017.

1 283. The Secretary of Homeland Security may make a determination that conduct in
2 question meets the statutory requirement, but neither the Act nor the regulations requires a formal
3 certification. The Statute provides that the Secretary shall have exclusive authority to certify
4 services, but the authority to determine whether an act of mass violence meets the statutory
5 requirements is not exclusive to the Secretary.

6 284. Public statements by the Secretary of Homeland Security concerning the attack
7 make clear that the attack meets the requirements of the SAFETY Act; indeed, based on the plain
8 language of the statute, the regulations, and the facts, no other determination could be possible.

9 285. In congressional testimony on November 30, 2017, the Acting Secretary of
10 Homeland Security noted the emphasis of “terrorists and other violent criminals ... on attacking
11 soft targets,” including “recent tragedies in Nevada.” The Acting Secretary went on to note that
12 the “SAFETY Act Program” “provide[s] critical incentives for the development and deployment
13 of anti-terrorism technologies by providing liability protections for ‘qualified anti-terrorism
14 technologies,’” which applies to a number of large sports and entertainment venues nationwide.

15 286. In a May 2018 release, Department of Homeland Security noted that “mass
16 shootings” in various places, including at a “concert,” aim “to kill and maim unsuspecting
17 individuals” and thereby fall within the Department’s “primary mission” “to prevent terrorist
18 attacks within the U.S, reduce the vulnerability of the U.S. to terrorism, and minimize the damage
19 and assist in the recovery from terrorist attacks that do occur, including those in ST-CPs [soft-
20 targets-crowded places].” Department of Homeland Security, *Soft Targets and Crowded Places*
21 *Security Plan Overview*, May 2018, at page 2. The report goes on to note that the protections of
22 the SAFETY Act have been “approved for open venues such as sports arenas and stadia” – such as
23 the venue for the Route 91 Festival. *Id.* at p. 17.

24 287. The Department continues its critical work to prevent and respond to mass
25 violence. In Congressional testimony on May 15, 2018, the Secretary testified that DHS is
26 “seeking to ramp up ‘soft target’ security efforts,” noting that DHS programs “address threats to
27 soft targets – including schools, *entertainment venues*, major events, and public spaces” (emphasis
28 added). Further, on June 4, 2018, DHS announced that it had “developed a ST-CP Security

1 Enhancement and Coordination Plan,” which has not been made public. The plan addresses “the
2 increased emphasis *by terrorists* and other extremist actors to leverage less sophisticated methods
3 to inflict harm in public areas ... such as parks, ... *special event venues*, and similar facilities.”

4 See <https://www.dhs.gov/publication/securing-soft-targets-and-crowded-spaces> (emphasis added).

5 288. The SAFETY Act creates a single, exclusive federal cause of action for claims for
6 injuries arising out of or relating to acts of mass violence where services certified by the
7 Department of Homeland Security were deployed in defense against, response to, or recovery
8 from such act and such claims result or may result in loss to the Seller.

9 289. Pursuant to the SAFETY Act, the Department of Homeland Security has certified
10 the services provided by CSC. The DHS Certification recognizes CSC’s security services as
11 appropriate for preventing and responding to acts of mass violence. 6 U.S.C. § 441; *see also* 48
12 C.F.R. § 50.201.

13 290. CSC’s security services Certified by DHS include “Physical Security”; “Access
14 Control”; and “Crowd Management.”

15 291. CSC’s Certified Crowd Management Services include:

- 16 • “Awareness of venue-specific emergency response protocols and evacuation
17 procedures to include emergency alert and mass-notification systems and sheltering procedures”;
- 18 • “Pre-event venue / event safety inspections”;
- 19 • “Facilitation of crowd movement during ingress, circulation, sheltering in place,
20 emergency evacuations, and egress”;
- 21 • “Pre-event coordination and multi-agency collaboration with public safety
22 agencies”;
- 23 • “Selection, vetting, and training of employees.”

24 292. As alleged above, CSC was employed as the Security Vendor for the Route 91
25 concert. CSC’s responsibilities at the Route 91 Harvest Festival included providing the following
26 DHS Certified Services:

- 27 • “perimeter security, event access, festival grounds event security”;
- 28 • “Staff[ing] inner perimeter and gates”;

- 1 • “Protect[ing] against unauthorized access”;
- 2 • “early warning ... of perimeter breaches”;
- 3 • “Secur[ing] internal festival grounds”;
- 4 • “Patrol[ing] festival floor grounds and assist[ing] patrons with any security related
- 5 issues”;
- 6 • pre-event planning for “Security and Safety”;
- 7 • “Emergency response” and “evacuation,” including evacuation for “terrorist threat”
- 8 and “ensur[ing] that the exit routes and gates remain unobstructed.”

9 293. For the reasons set forth above, the SAFETY Act creates an exclusive cause of
10 action for any claims arising out of relating to Paddock’s mass attack and such claims may result
11 in loss to the Seller. Under the SAFETY Act, there “shall exist only one cause of action for loss
12 of property, personal injury, or death. 6 C.F.R. 25.7 (d).

13 294. Such cause of action “may be brought only against the Seller of the Qualified Anti-
14 Terrorism Technology and may not be brought against the buyers, the buyer’s contractors, or
15 downstream users of the Technology, the Seller’s suppliers or contractors, or any other person or
16 entity.” 6 C.F.R. 25.7 (d). The SAFETY Act precludes any liability on the part of Plaintiffs to
17 Defendants relating to Paddock’s mass attack.

18 295. In addition, the SAFETY Act provides that for any covered claims arising out of or
19 relating to an act of mass violence where certified services were provided, “the government
20 contractor defense applies in such a lawsuit,” which provides a complete defense to liability. 6
21 U.S.C. 442(d)(1). The government contractor defense precludes any finding of liability on the part
22 of Plaintiffs to Defendants relating to Paddock’s mass attack.

23 296. An actual and justiciable controversy exists between Plaintiffs and Defendants
24 concerning the applicability of the SAFETY Act. Plaintiffs assert that the SAFETY Act precludes
25 any liability for any claims arising out of or relating to Paddock’s mass attack, whereas, on
26 information and belief, Defendants deny that the Act applies or that it precludes liability on their
27 claims against Plaintiffs.

28 297. A judicial declaration as to whether the SAFETY Act applies and precludes
